

## WWHGD.com Receives Legal Standard of Excellence Award

September 17, 2009

Atlanta

The Web Marketing Association selected WWHGD.com as a winner of the 2009 WebAward in the category of Legal Standard of Excellence for outstanding achievement in web development. More than 2,000 sites from 45 countries were reviewed in the Web Marketing Association's 13<sup>th</sup> annual WebAward competition. Websites were judged on design, copy writing, innovation, content, interactivity, navigation and use of technology.

Weinberg, Wheeler, Hudgins, Gunn & Dial redesigned its website in early 2009. The website overhaul modernized WWHGD.com and includes cutting-edge technology to create an interactive atmosphere.

The WebAwards is a premier website competition whose independent expert judges from around the world review and score sites in 96 industries. Judges include members of the media, corporate and advertising executives, website designers, copy writers and webmasters.
